FULLBRIGHT-NEHRU ENGLISH TEACHING ASSISTANTSHIP(ETA) PROGRAM

* United States-India Educational Foundation (USIEF) brings approximately 30 young Americans to India each year under the Fullbright-Nehru English Teaching Assistantship (ETA) program.

* The aim of the program is to strengthen English language instruction and the study of the United States at Indian middle/secondary schools and Indian community colleges/undergraduate colleges by establishing a native-speaker presence to provide part-time assistance to permanent English teaching staff.

* The USIEF is seeking co-operation of interested community colleges/undergraduate colleges for the next cohort of ETAs who are scheduled to begin their grants in June/July 2021.
